Creating a Culture

Several behaviors that create open, friendly, & constructive learning experiences for students & teachers—in other words, a strong culture of learning & teaching.

- Enable Collaboration
- Eliminate “Buts”
- Nudge Success
- Celebrate Risk
- Create a Learning Flow
- Be Independent
- Reinforce Learning

CART MANAGEMENT

- Efficient labeling for both the slot & cable
- NO permanent writing or stickers on the iPad or the case
- Establish a cart manager or a Student Technical Assistant (STA)
 - One student hand to another, one place/remove them
- To avoid cracked screens—KEEP the keyboard on
- Note that when one charger breaks it affects ALL of them

CART MANAGEMENT

This is a part of an iPad charger from our new iPads.
Only iPad Managers should charge devices.
